**Tasting notes :**

Very expressive nose, with predominant notes of fresh red fruit (raspberry, strawberry, cherry), but involved in a fresh and seductive mineral aroma. In the mouth comes the component of the granite mill and the aging in wood - dry wine, structured, with a wide mouth, tannin present and with character. It finishes long and refreshing, with vibrant acidity and tannin present, but smooth.

Very versatile wine due to the particularity of being a mixture of white and red grape varieties. The ideal pairing is with cheese or complex salads, as well as grilled meat or fish. Ideal service temperature of 12 - 13 °C.
